CLOSE-UP:

As we prepare for tomorrow's challenges, we accept today's responsibilities, ever mindful that each is a step that must be taken to attain those goals that give purpose to our lives.

YOUTH IN ACTION

We do together those things we cannot do alone. We accept the fact that through teamwork we broaden our quest for knowledge. We learn the significance of involvement.

We learn by active participation and earnest seeking. We experience the value of progress and realize the pride of success.

We show our emotions as the enormous and the minute merge into vibrant and youthful unity.

We strive to spring open
the doors to knowledge,
to probe the mysterious,
to embrace truths newly
discovered.

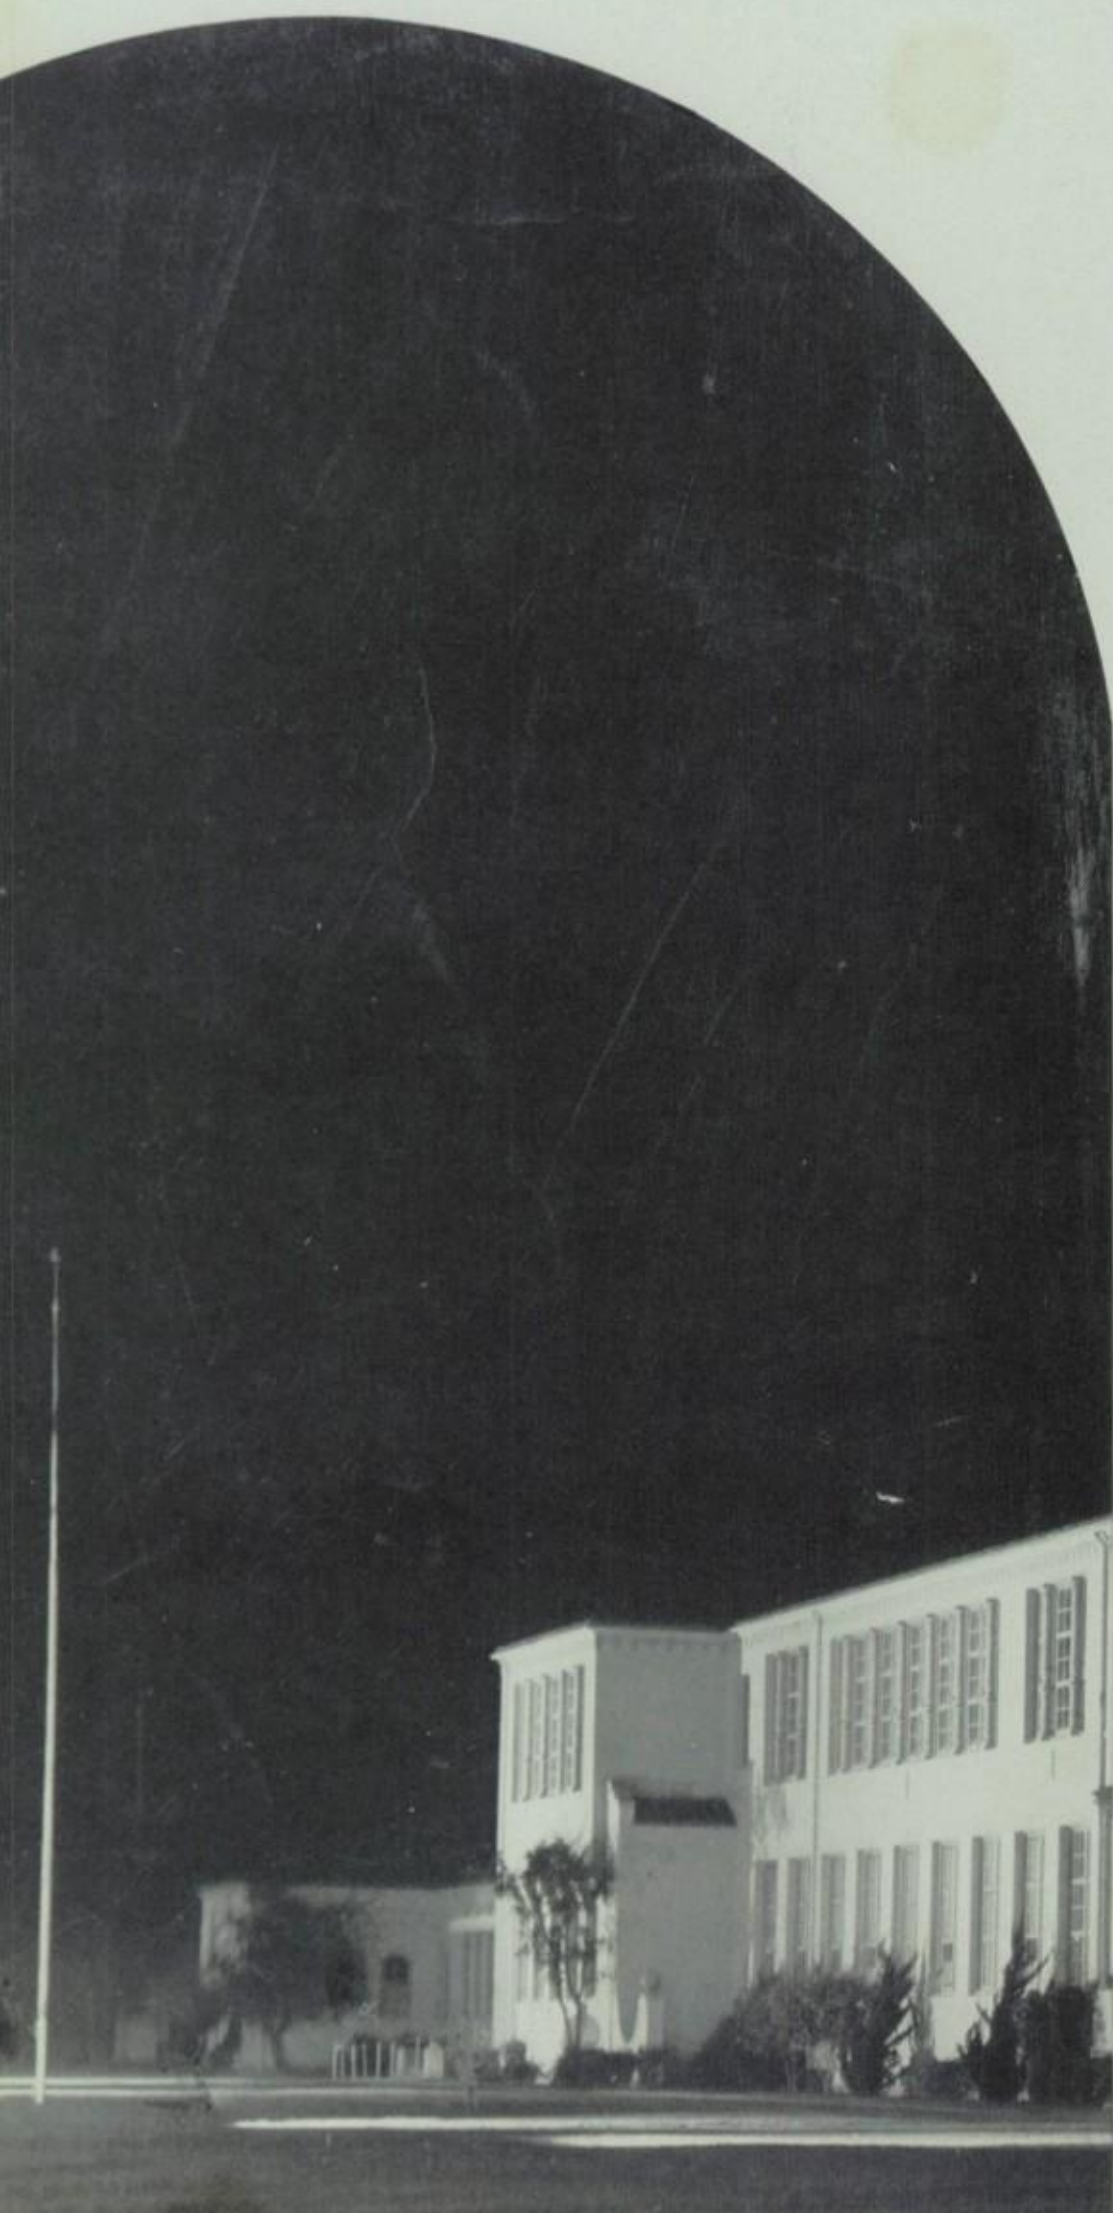

The smoggy
skies of
Salinas!

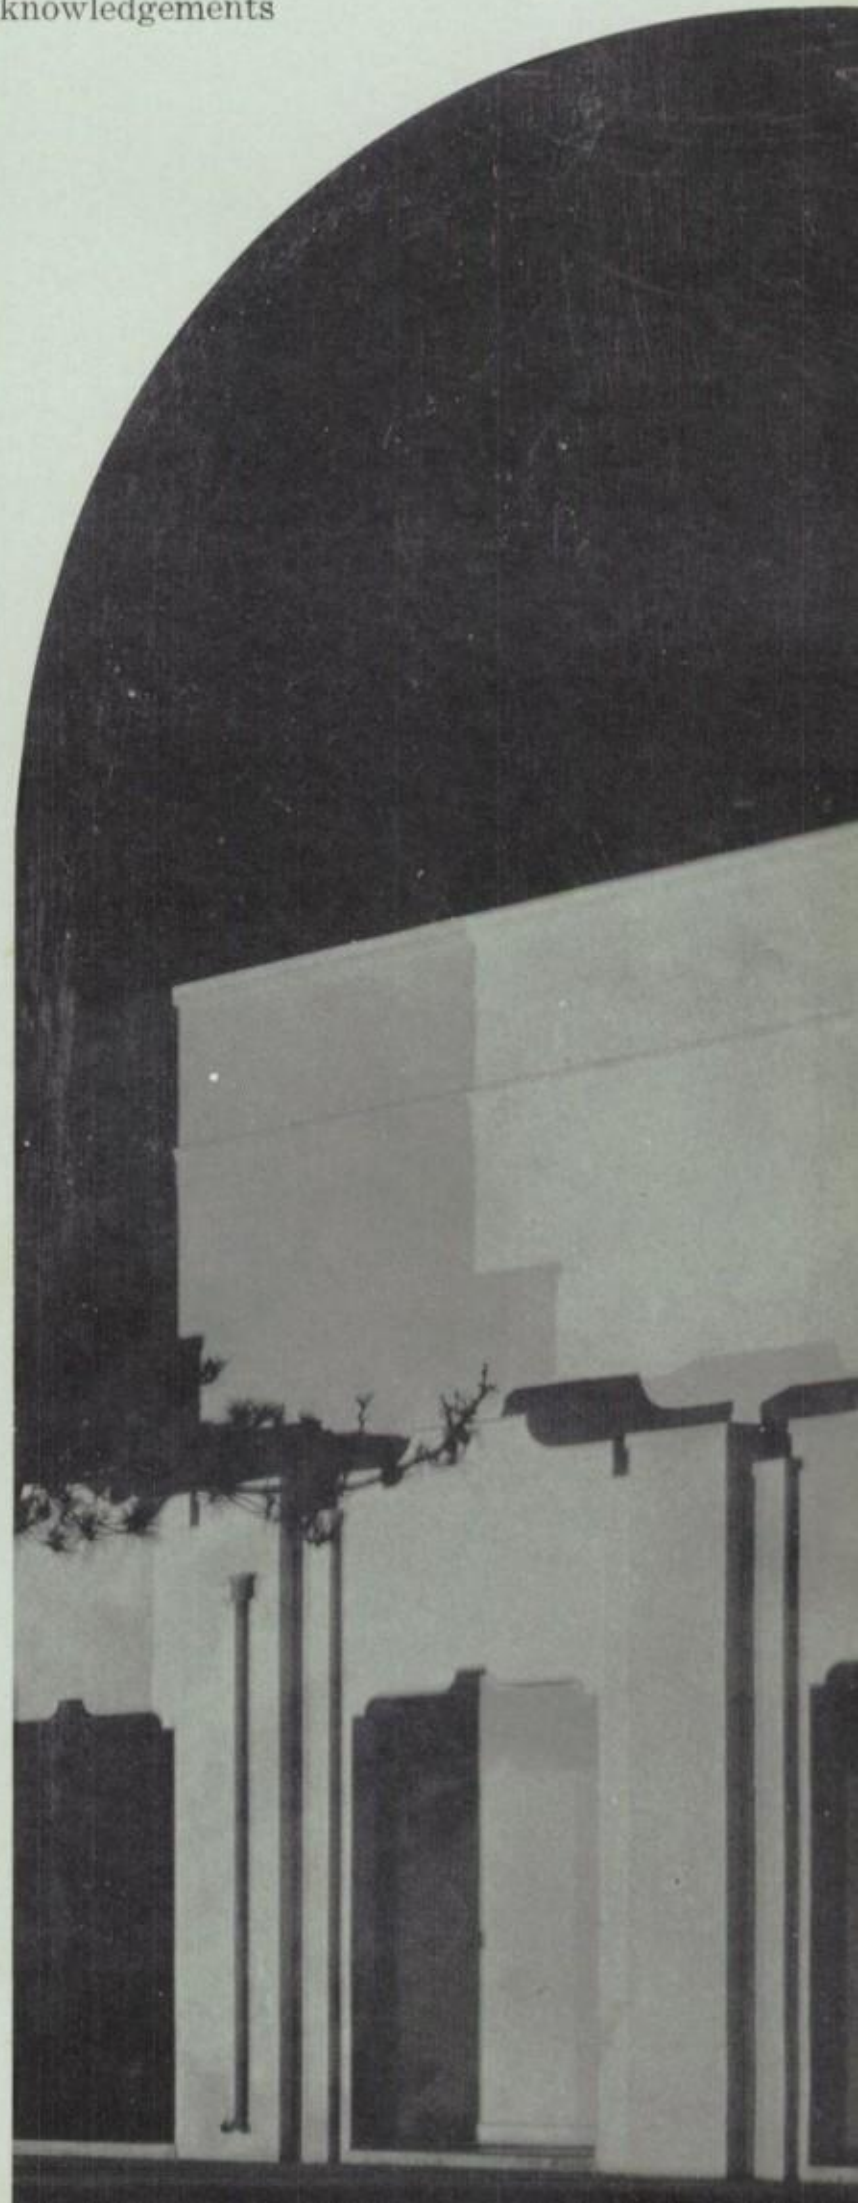

We look upon our future as a great opportunity to scale undreamed of heights.

Today where our thoughts have brought us . . . tomorrow where our hopes will lead—adventures we shall not pass.

Nina Rogers, Salinas High School senior, is the new reigning Junior Miss of Salinas. The Junior Miss Program is a quest for the senior girl who best represents youth. Contestants are judged on scholastic achievement, talent, congeniality, poise and appearance, and dignity.

Pam Paulson, Barbara Rivers, Connie Munger, and Susan Wayland represented Salinas High School in this year's California Rodeo Hostess Contest. These senior girls, together with other contestants from the Salinas Valley area, were judged on points awarded on the basis of 30% for riding, 20% for scholarship, and 50% for personality and appearance.

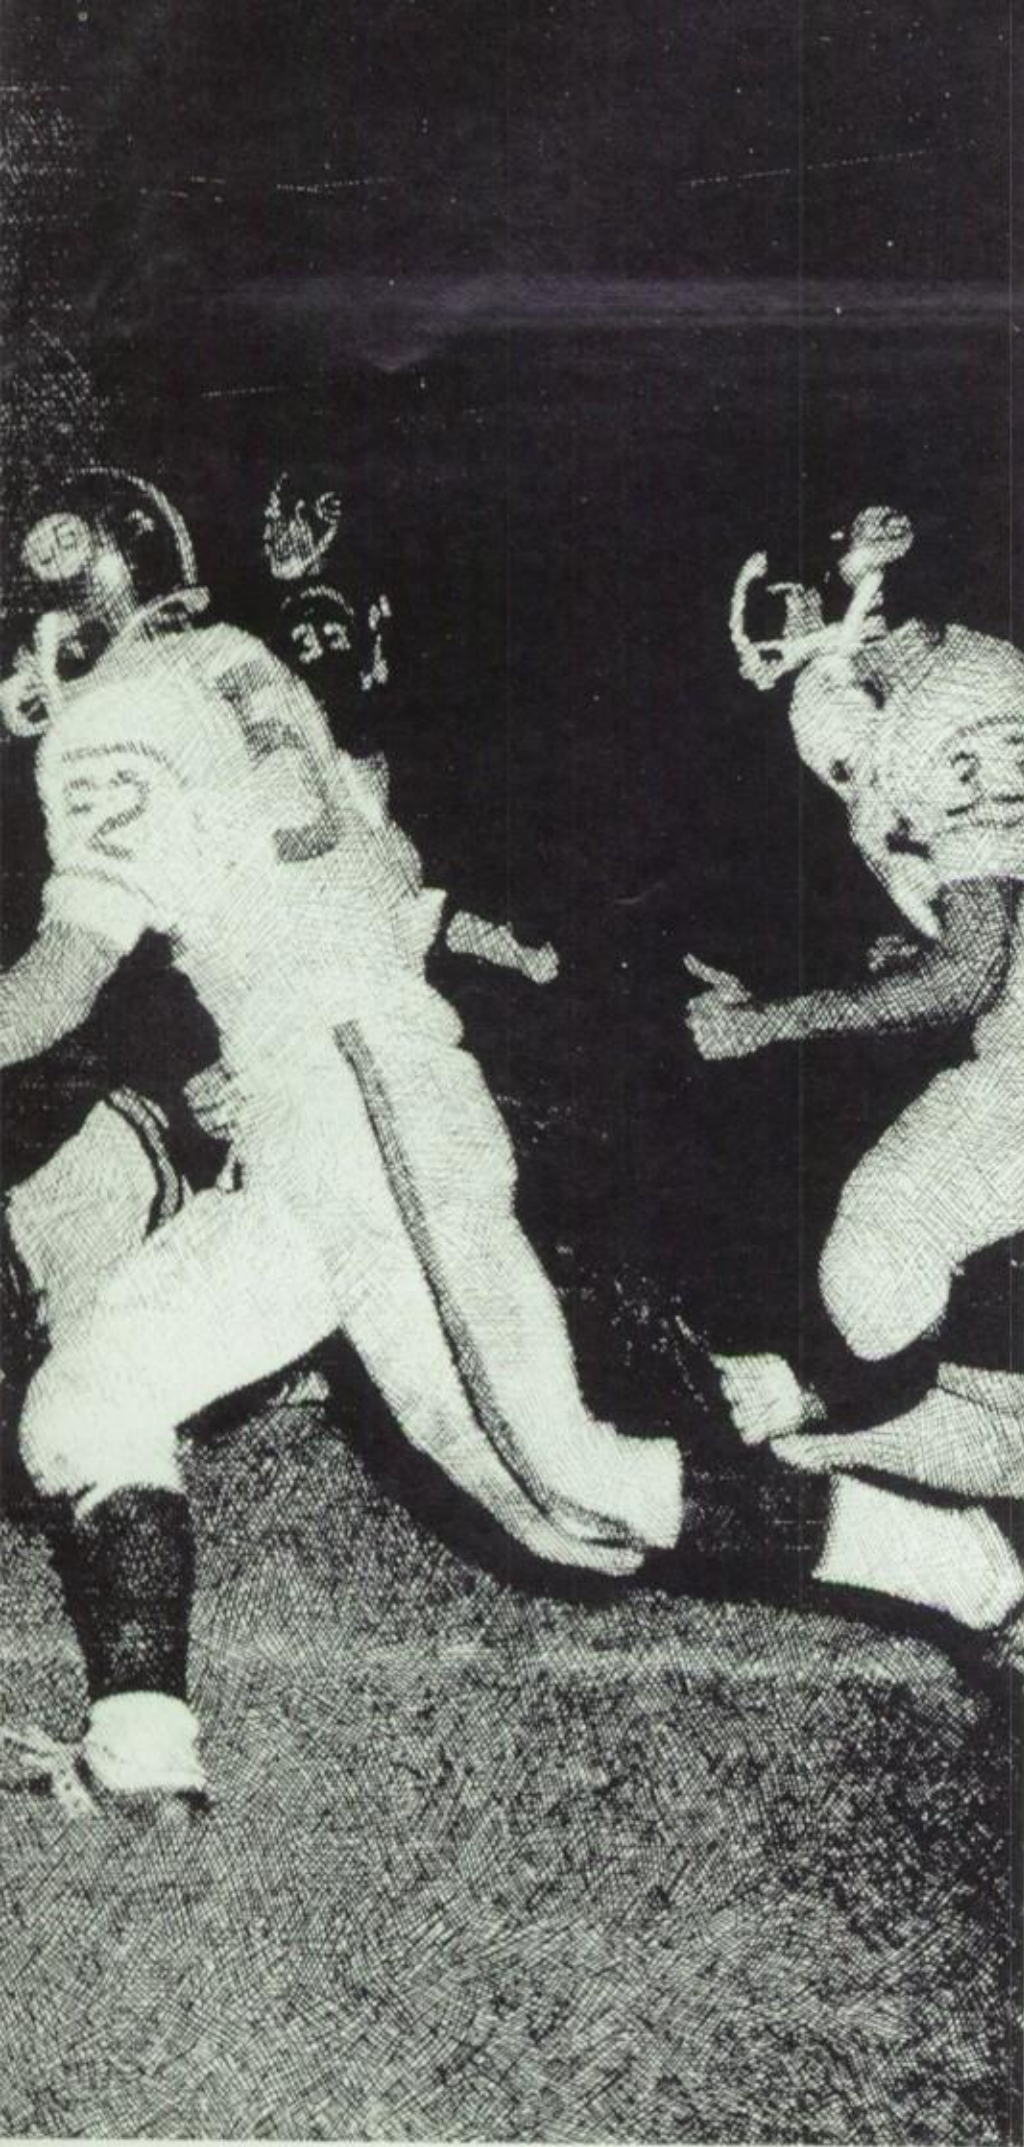

Suzy McOmber was named 1968 Betty Crocker Homemaker of Tomorrow for Salinas High. This has made Suzy eligible for state and national scholarship awards.

Dorothy Bell, Salinas High senior, was named a finalist in the 1967-68 National Merit Program. Dorothy was the only senior at Salinas High who qualified for this scholastic honor.

Although the 1967 Cowboys did not measure up to their pre-season expectations, they did prove to be a tough obstacle for the very strong contenders. In inter-city play the Cowboys rallied in the second half against an inspired Palma team to overcome a half time deficit to win their opening game 13-7. This was followed by a one sided contest with Los Gatos which the Cowboys won 25-7. After an opening league loss to Watsonville, the Cowboys put together what proved to be their best offensive effort of the season as they won over Alisal High 39-28.

The "Big Game" with North High was played with additional motivation of the mythical "City" championship at stake. The highly contested game was not decided until the closing minutes as the Cowboys' bid to overcome an early 13-0 lead by the Vikes fell short with the Vikings winning 19-14.

With many returning players, the Lightweights completed one of their most successful seasons with a 6-2-0 record and a tie for first MBL honors. Relying on a strong running attack spearheaded by Bill Schweitzer and Jeff Ogawa, backed up by the passing threat of Joe Baxter and Steve Yamamoto, the Lightweights seemingly outclassed everyone else in the league.

The much improved Lightweight offensive line sprang Bill Schweitzer loose for 628 yards, to lead the league in rushing. To lead the league in passing, Steve Yamamoto passed for a total of 181 yards.

The Lightweight defense also played a major role in the winning season by allowing only 64 points to be scored against them.

JV BASKETBALL

The Salinas High Junior Varsity squad ended their 1968 campaign with a hard fought victory over the North Salinas Vikings to climax another successful season. The JV's started out fast, winning four of their first five, but ran into a string of low margin losses. Led by the shooting of Keith Baggett, the rebounding of Ed Kearney, and the floor play of Curt Huckaby, the Cowboys remained title contenders for much of the season. With many underclassmen returning next year, Coach Novack should present another top team.

With the shortest team in the league, the 1968 Varsity Cagers started off to disprove their pre-season ranking by winning three of their first four games to be among the top contenders. However, the Cowboys' hopes were smashed by a six-game losing streak that dropped them out of second place into the second division.

Seniors Glenn Griffith and Les Huber, who both averaged in the double figures, carried most of the offensive load with Garry Gould and Greg Vollmer adding rebounding strength. Barry Lee's hustling defense was complemented in the back-court by guards Jerry Medina and Dennis Itani. With one of the most experienced teams in the league coming back next year, the Cowboys look to improve this year's 6-16 won-lost mark.

For the second straight year, the Salinas High Cowbabs missed gaining the top berth in the league, finishing second behind a powerful Santa Cruz team. The Cowbabs' success can be attributed to the evenly balanced talent as recognized by the MBL coaches. Rick Lambert, Fred Sakasegawa, Tim Watson, and Mike Osugi, who were named all-league honorable mention, teamed with Tony Collins and Mike Messner to gain the winning combinations. Lightweight coach Bill Getris took advantage of his team's quickness by employing a zone press to compensate for the lack of height.

Popping flash bulbs and clicking camera shutters set the pace for the staff of the 1968 EL GABILAN. As each deadline approached, the tempo increased; pictures were selected, copy was written, and the action was recorded on the pages of the yearbook.

Here on these pages are the members of the team that created the 1968 EL GABILAN. If some of them look preoccupied, it is because they were busy capturing the spirit of the 1967-1968 school year at Salinas High School.

PRINCIPAL'S MESSAGE

Mr. George A. Marsh, Principal

It is with a great deal of pride and honor that I accept the opportunity to have an active part in this year's production of the Yearbook.

We live in a world of opportunity and no one should miss the "green light," because it could change the course of his entire life. There are professional and vocational opportunities with challenges everywhere! I encourage all of you to always be alert. Do not miss the "green light!"

Your teachers can only assist in your preparation as you proceed with your educational program. It is our sincere desire to guide you in providing a solid educational foundation from which you can launch a successful career. Always remember that there is room at the top and proper preparation and desire could find many of you there.

May I encourage all of you to give your best, and in return, we will be able to take pride in the fact that we were among your friends during the process of your educational preparation. Best wishes to one and all.

JUNIORS

Juniors

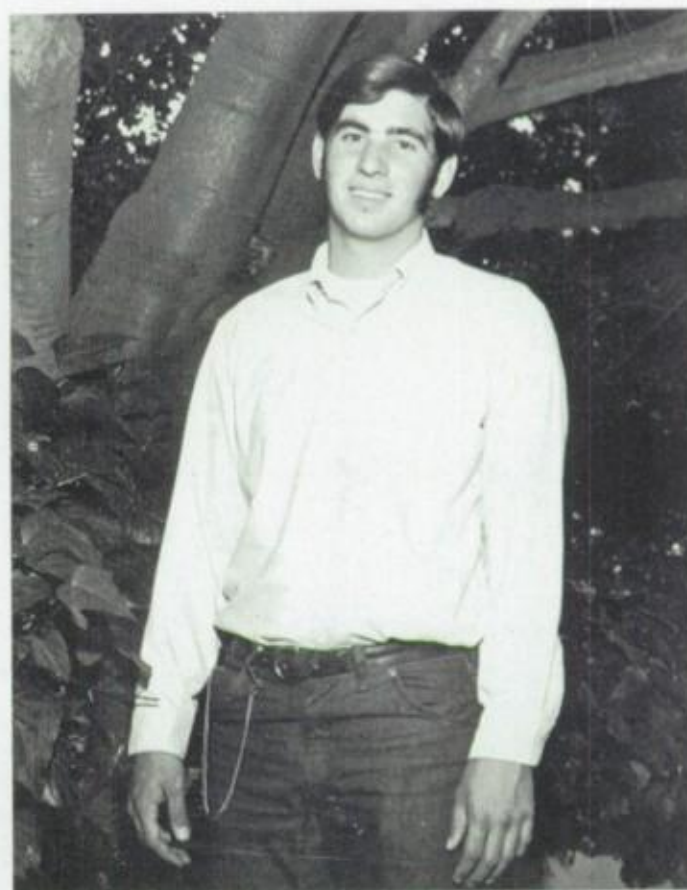

The Class of 1969 has strived this year to help the school and student body in many ways. They have attempted to boost our school spirit and represent the school well. In the hope of making the Junior-Senior Prom a great success, the planning of the prom was the Juniors' major project.

I decided to write on this page because this year we are great sophomores and this as you know is the soph page! although this isn't "OUR" yearbook and we are not in it I am sure that I can find a lot of good things to write all through this book..... so look out, O.K? Waaait it just "super" if "Constance" to give you this book. I hope she doesn't ask for it back because if she does it's gonna be a sad day! hor-hor-hor- Well better go. SOPHOMORES

of '73

(1971)

Sophomores

The Class of 1970 has shown its enthusiasm this year through its many projects. Starting the year off, the Class sponsored the Halloween Dance. The Class revealed its interest in activities with a large bake sale in December. Along with these activities the Sophomore Class sponsored a co-ed basketball game between the Classes.

FRESHMEN

Freshmen

Although just a Freshman Class, Class of 1971 can be identified as a very spirited group, not afraid of working together. Class of 1971 planned a curb-numbering program as their major project this year. The Class also planned various other money-making projects throughout the year.

We acknowledge, too, with gratitude, the understanding of faculty members whose schedules were disrupted by our photographers; the co-operation of the Flashlight Staff and Mr. Gallegos' help in reviewing some of our copy; the assistance of custodians with our early arrivals and late departures; and the support of all the wonderful students at Salinas High School and their elected representatives on the Student Commission.

A yearbook is a collection of portraits and class pictures, snapshots and action photos, headlines and copy.

A yearbook is a history, a chronicle of events, a picture story.

A yearbook is a challenge, an opportunity, a tradition.

The 1968 EL GABILAN is all of these—and a great deal more.

To most readers it is a memory book which will be treasured more each passing day, more each passing year. To those of us who have watched it grow, it is also a record of achievement—the reward of endless hours of preparing layouts, cropping pictures, writing copy, proofreading, meeting deadlines—of selling advertisements, taking yearbook orders, keeping records, and living within our budget. It has been a year filled with trials and tears and many fears, all of which are behind us now.

I want to thank all those who were willing to try and always did so much more than their job required; those who never lost their enthusiasm, even when the pressure was greatest; those who called Room 36 “home” long after the halls were quiet; and all those who gave their hand in aid when that little added push was necessary.

Finally, I want to thank Mr. Hamburger for his everlasting patience, his guidance, and his encouragement which kept us all going.

To all who have helped make this such a meaningful and memorable experience, I can only say thank you.

Linda
